

Zine Workshop Application

Description:

The zine workshop will introduce teens to zine publishing. Zines are self-published, small circulation booklets or magazines, which vary in size and format and can include a wide variety of topics, such as personal essays, commentary, do-it-yourself advice, articles about music or movies, and comics. During this workshop, we'll learn about zines and see some examples; we'll talk about how to make a zine; and we'll work together to make a collaborative zine. At the end of the workshop, each participant will have a copy of the finished zine to take home with them, and a copy will be added to the Linebaugh Library's zine collection.
